

LIGHT KITS

The following Light kits can be retrofitted to the fans of the series CLASSIC ROYAL, CLASSIC FLAT 103-III, CLASSIC FLAT 75-III, CENTURION and BLACK MAGIC.

The CasaFan combination system allows quick and easy replacements. Regardless of the fan, lights can be controlled with pull chain switch (standard equipment), by remote control or also with a wall-mounted switch.

ECO ELEMENTS, CARIBBEAN DREAM ECO II, NIGHT FLIGHT and ROTARY: When ordering, be sure to specify the ceiling fan model in question! All luminaires are suitable for use with energy-saving light sources such as LED lamps.
